

## **Report on Bombproofing Clinic May 2007** by Lea Kroll

The Welsh Pony & Cob Society of Alberta spring bomb proofing clinic held at Monty Gwynne's stable was, I think by all accounts a great success. All 12 clinic spots quickly filled and we had 4 people on a wait list if there had been cancellations. I believe the final head count was 20 or 24 people.

People joined the club to take advantage of the member rate which was a boost to the club membership as well.

We had a full gallery of spectators attend cheering the participants on...ok they were rooting for the ponies more than the handlers irregardless a good time was had by all.
